

NOOK Tablets

Compatible Formats:

- OverDrive Read eBooks
- EPUB eBooks
- MP3 e-audiobooks
- Kindle books (with Kindle app)

What you need

- OverDrive app
- A library card

1. Download the OverDrive app from one of the following:

- Google Play
- NOOK Apps Store

2. Open the OverDrive app and follow the prompts to create an OverDrive account and log in. If you're under 13, select **I am under 13 years old** instead.

Note: If you're using a NOOK Color or Tablet, skip this step and move on to step 3.

3. In the OverDrive app, find our library's OverDrive website, the Washington Anytime Library. On most NOOK tablets, you can do this by swiping from left to right to open the **Home menu**, then tapping **Add a library**. On a NOOK Color or Tablet, tap

the  icon (or, if you don't have this icon, go to *Menu > Get Books*).

Select **Longview Public Library**. Tap

the  next to it to add it to your 'Get Books' list.

4. Borrow Titles

Tap Washington Anytime Library from the 'Get Books' list.

Find a title to borrow by tapping one from the home page or running a search. Tap a title, then click **Borrow** to check it out. If prompted, sign in using your **entire** library barcode number.

After clicking on Borrow, your bookshelf opens, displaying title(s) you have checked out. From here, you can tap **Read** to start reading eBooks in your browser.

Find borrowed titles under your account.

You can:

- Download EPUB eBooks and MP3 audiobooks directly to the OverDrive app.

**Note: If you're using a NOOK Color or Tablet, you'll need to authorize your device with an Adobe ID to download EPUB eBooks. It's a one-time, free process that takes just moments to complete.*

- Tap **Read** to open and read OverDrive Read eBooks right in your browser.
- If you've installed the Kindle reading app from the Google Play store on your NOOK, select **Kindle Book** (U.S. only) to complete checkout on Amazon's website and send the book to your Kindle reading app.
